LOCAL BREVITIES.

Matters of Minor Moment in and About the City.

A new tin roof is being put on the lower market house.

The Schmulbach Drawing Company paid its employees off in gold Monday.

Mr. Henry Seamon of the South Side, was tendered a birthday party by his friends last night, at the Silver Leaf hall.

The LaBelle mill was to have gone on double turn yesterday, but did not on account of the failure to arrive of a new sixteen-inch roll.

A young man named Louis Loch was arrested yesterday for stealing an overcoat at a dance at Bluff's hall the night before. He protests his innocence.

The contract for the erection of a three-story brick house for Alexander Lang, on Fourteenth street, was awarded yesterday to Mr. Jerry O'Brien by Architect Hamilton.

Black Prince lodge No. 12 has appointed a committee to arrange for a social entertainment, to be given at Pythian Castle Christmas afternoon, which will be followed by a dance in the evening.

All the old soldiers and the sons of soldiers are requested to meet in the police court room this evening at 7:30 o'clock. A full attendance is requested, as matters of importance will come up before the meeting.

John Morgan was before Justice Gillespie yesterday, charged with an aggravated assault on a five-year-old boy. Morgan pleaded guilty and was remanded to jail until to-day, when the justice will render his decision.

The Silver Leaf club, a popular social organization, of the South Side, has arranged a series of semi-monthly hops, to extend through the winter, and for which invitations have been issued. The first of the series will be given to-morrow night.

The hotels were crowded to their utmost capacity last night, on account of the large influx of delegates attending the grand lodge of the Masons now in session in this city, and the increased travel due to the general improved business conditions.

About fifty young people of Upper Benwood have formed a literary society which promises much entertainment during the winter months. The first debate will take place to-morrow evening in the chapel of the Latter Day Saints. The question will be, "Resolved, That fire is more destructive than water."

ABOUT PEOPLE

Strangers in the City and Wheeling Folks Abroad.

Dr. D. C. Smith and wife, of Silloho, are in the city.

Mr. D. J. Gibson and wife, of Newburg, are stopping at the McClure.

Mrs. Brady Morgan, of the Island, is visiting her father in Weilsburg.

P. L. Whelan, advance agent of the Tery Farm company, is in the city billing the show.

Mrs. A. W. Prichard and Miss Lucy Prichard, two Mannington ladies, are guests of the Stamm.

Miss Ida Carl, of West Middletown, Pa., is the guest of her cousins, the Misses Dannenberg, of South Eoff street.

Miss Rieca Hildebrand, a popular young lady of Martin's Ferry, leaves to-day for Steubenville, where she will be in Cleveland to visit relatives and friends.

Professor J. N. Deahl and T. G. Gwinn, of the West Liberty state normal school, are in the city attending the annual meeting of the Masonic Grand Lodge.

Reuben Kelly, formerly of Wheeling, who has been working for a street railway company in Ironton, Ohio, spent a few days in the city, visiting old friends. He left yesterday morning for Colerain.

Germantown Bank Directors

The stockholders of the new Germania Half Dollar Savings Bank, which will occupy the room to be vacated by the German bank, in the Beck block, Market street, met last evening and elected the following board of directors: George Hook, Paul O. Reymann, A. G. Haulich, Chris. Vewig, Jr., P. C. Driehorst, L. C. Good, Charles Oliver, E. M. Holliday, W. O. McCluskey, H. F. Jones and James McCann.

"A Happy Pat."

The above is one of the three comedies to be produced at the Opera House next Monday evening, November 16, for the benefit of the Humane Society. Miss Hennik as Mrs. Honeyton and Mr. Edward H. Franzheim as Mr. Honeyton compose the cast of characters. Mr. and Mrs. Honeyton have been married just six months and although they love each other dearly both are very unhappy. Mrs. Honeyton has made the fatal mistake of turning her husband with too much devotion. She finally realizes her error; then follow several amusing incidents, as the wife tries the "role" of actress. Finally after "the hubby" is humbled sufficiently all ends happily as a marriage bell.

LOOK out for cheap substitutes! Beware of new remedies. Dr. Bull's Cough Syrup has stood the test for nearly fifty years.

THE old way of delivering messages by post-boys compared with the modern telephone, illustrates the old tedious methods of "breaking" clogs compared with their almost instantaneous cure by One Minute Cough Cure. Charles H. Goetz, corner Twelfth and Market streets, Bowls & Co., Bridgeport; Penbody & Son, Benwood.

Save Your Life

By using "The New Great South American Kidney Cure." This new remedy is a great surprise on account of its exceeding promptness in relieving pain in the kidneys, bladder and back in male or female. It relieves retention of water and pain in passing it almost immediately. Save yourselves by using this marvelous cure. Its use will prevent fatal consequences in almost all cases by its great alternative and healing powers. Sold by R. H. List, drug-gist, Wheeling, W. Va.

BARNESVILLE REPUBLICANS

Will Jollify Over the Election—Wheeling Clubs May Go.

The Republicans of Barnesville will ratify the election of McKinley and Hobart next Friday night, and are preparing to make the greatest demonstration that town ever saw. The procession will be a wonder and will contain clubs from Newark, Zanesville, Cambridge, Bellaire and many other Ohio cities. An effort is being made to have some of the Wheeling clubs go out, and the probability is that the Eldins Cadets will accept the invitation.

Mr. J. Ed Warr was in the city last night buying fireworks for the demonstration, and the amount purchased indicates that Barnesville will be painted red Friday night. The citizens of that town are noted for never doing anything by halves, and the Republican centre that it is insures a most glorious jollification.

Mr. John A. White Assigns.

Mr. John A. White, the prominent leather and shoe finding merchant, and late Democratic candidate for clerk of the circuit court, made an assignment yesterday, naming Judge Lewis S. Jordan as assignee. The bill does not state the amount of the liabilities and transfers all personal property and goods within the store at No. 1125 Market street, to the assignee, who is directed to sell them and divide the proceeds among the debtors pro rata.

Mr. White has many warm friends in the city, who will regret to learn of his assignment, and that he has the sincere sympathy and respect of all goes without saying. Mr. White had contemplated this step for some time past, owing to the extreme depression in trade that prevailed.

The Grand Jury.

The grand jury spent all day yesterday in examining witnesses, and at 5 o'clock adjourned until to-day, when it will endeavor to complete its work. Witnesses are being examined in regard to alleged irregularities in the recent election, but with what success could not be learned.

It is said that the bulk of the cases come from justice, who are endeavoring to wind up their official life in a round of pyrotechnical glory. Houses of prostitution, gamblers and gambling rooms will probably receive pretty salty doses.

Killed by a Bear.

TROY, Mon., Nov. 10.—Rev. J. D. Mentor, of this place, lost his life in a desperate encounter with a bear in the mountains near here. He had been out with a hunting party and separated from them during the morning. At night he did not return, and becoming alarmed his companions started out to search for him. Mentor's hat was found in the snow. Blood was seen and evidences of a terrible battle with a bear were found. Following the trail the dead and lacerated body of the young minister was found about one hundred yards away.

Another Armenian Massacre.

CONSTANTINOPLE, Nov. 10.—The reports in circulation here on Thursday last that a massacre had occurred in an Armenian village near Kaisarich and that sixty persons had been killed, were not exaggerated. On the contrary, the affair turns out to have been more serious than at first announced. The massacre occurred in the village of Everek. One hundred persons were killed and nearly all the Armenian houses were pillaged.

Salem Jollifies.

SPECIAL DISPATCH to the Intelligencer. SALEM, W. Va., Nov. 10.—The finest illumination, parade and fireworks ever witnessed in Harrison county occurred here to-night, in honor of the great sound money and protection victory.

Along the Landing.

The marks last night indicated 7 feet 6 inches and falling.

The elegant passenger steamer Hudson will be to-morrow's line packet for Cincinnati.

The Josh Cook lost a large bag of coal at or near New Cumberland on Sunday. We are not advised as to how the accident occurred.

The new packet contracted for by the Pittsburgh and Cincinnati line has been named the Queen City, in honor of Cincinnati. The name was decided on at the company's office at Pittsburgh, yesterday.

Captain Charles Muhleman, of Beersville, O., a former well known steamboatman, was in the city yesterday and will be in attendance to-day at the Ohio River Improvement convention. Captain Muhleman commanded the Andes for many years in the Wheeling and Cincinnati trade, and he was very successful. He is an untiring worker and makes everything go that he takes hold of.—Pittsburgh Commercial Gazette.

Electric Bitters.

Electric Bitters is a medicine suited for any season, but perhaps more generally needed when the languid, exhausted feeling prevails, when the liver is torpid and sluggish and the need of a tonic and after-dinner rest is felt. A prompt use of this medicine has often averted long and perhaps fatal biliousness. No medicine will act more surely in counteracting and freeing the system from the malarial poison, Headache, Indigestion, Constipation, Dizziness yield to Electric Bitters. 50c and \$1.00 per bottle at Logan Drug Co.'s Drug Store.

SUPPER, refreshments and home-made candy will be served by the ladies of the United Presbyterian church on Friday evening from 6:30 to 8 o'clock. Supper 35 cents.

The New Way.

Some of the best physicians who have had their eyes examined and investigated Professor Sherrin's scientific method of examining the eyes and fitting glasses without use of drugs and making the patient blind for a week, or having them look at charts, etc., or in any way depend upon the patient, is wonderful and the only absolute correct way for examining the eyes for glasses. Professor Sherrin can be consulted and will examine the eyes free at 1110 Main street.

"EXCUSE me," observed the man in spectacles; "but I am a surgeon, and that is not where the liver is." "Never you mind where his liver is," retorted the other. "If it was in his big toe or his left ear DeWitt's Little Early Risers would reach it and shake it for him. On that you can have your eye-lamps." Charles R. Goetz, corner Twelfth and Market streets; Bowls & Co., Bridgeport; Penbody & Son, Benwood.
